# TS-3

## HANDHELD RADAR

One of the benefits of the **TS-3 Handheld Radar Gun** is the in the apprehension of habitual violators is the true “gun-type” action of the trigger. When the trigger is pulled, the instantaneous response will **defeat all radar detectors**.

We believe the **TS-3** is the ultimate tool for suppressing speed and increasing public awareness of speed limits.

**Weight only  
1 lb. 8 oz.**

**Width – 3.25 in  
Height – 8.5 in**

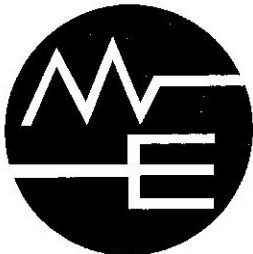

**Defeat all Radar  
Detectors**

**Narrow K-band  
beam**

**DPS Circuitry**

**3 Year Warranty**

**(217) 877-8601 Bus  
(217) 877-1142 Fax**
